

START YOUR JOURNEY TO LOWER ENERGY BILLS

Xcel Energy Electricity Customers

For a limited time, Thornton residents can receive a FREE Home Energy Squad® standard visit or \$50 off Home Energy Squad® Plus. A standard visit includes free energy advice tailored to your home and the installation of free LED light bulbs, efficient showerheads, programmable thermostat, weather-stripping, and more. |

Call Xcel Energy's Provider CLEAResult at **303-446-7910** to schedule your visit!

United Power Electricity Customers

Thornton residents can receive free energy expertise to help start saving. Over the years, United Power experts have uncovered inefficient equipment, lifestyle adjustments that add up, and other household changes to help residents save hundreds of dollars per year.

To set up an appointment visit unitedpower.com/energy-advisor or call **303-637-1300**.
